CRYSTAL COMPONENTS

INTRODUCTION

Bohexim Glass, Ltd

With more than 20 years of experience on the international market, Bohexim Glass, Ltd. has partnered with a number of top chandelier manufacturers, crystal whole-sellers and design studios.

Ever since 1992, we strive to achieve excellence through offering a wide range of products tailored to the individual needs of our clients. Our meticulously crafted articles can be found all over the world, taking prominence in high-end mansions, luxury hotels, restaurants or commercial buildings.

The diverse selection of merchandise features hand-blown crystal chandelier parts, such as bobeches, center columns, candle cups, arms or large bowls, as well as different chandelier trimmings in a wide variety of styles, sizes and color.

All products come hand-polished and hand-cut from carefully chosen producers in a guaranteed export quality. We take pride in offering articles made exclusively in the Bohemia region using local materials and the traditional ways of treating fine Bohemian crystal.

Catalogue

The catalogue features an extensive selection of crystal parts and trimmings for use in interior lighting fixtures. As crystal needs of our clients can be very specific, we also provide various additional services, such as development of drawings, molds and application of different decors and surface finishes including hand-engraving or sand-blasting. Our crystals are of pure Bohemian origin and are available in various color shades as per customer specifications.

Please visit our website bohexim.com for more information about us and our products.

Note

- **1A Quality (full-cut)** – Main surface and all facets hand-cut and hand-polished
- **1B Quality (half-cut)** – Only main surface hand-cut and hand-polished
- Crystal beads are also available as chains with either chrome or brass pinning
